

# IMPACT project – Training of trainers

IMPACT

At ACT ToT & Exchange 23 November 2021

## **Project partners:**

Save the Children Sweden, ALC (France) , Save the Children Italy and Nidos (the Netherlands)

## **Main aim IMPACT-project**

Supporting the operation of alternative care systems in Italy, France, Sweden and the Netherlands by building on previous results, sharing knowledge and expertise and increasing competences of social workers and staff/care providers working with UAC and reception families/foster families through training

## Two international Training-of-trainers

Based upon mapping existing materials, views of UAC and needs of project partners

ToT for social workers working with UAC

### 'Enlarging resilience and agency of UAC in phases'

February 1,2 & 3 in the Netherlands, for 10 participants from other MS

ToT for staff working with (foster) families providing care to UAC

### 'Building trust and stepping into the shoes of UAC and the families caring for them'

February 15, 16 & 17 in the Netherlands, for 10 participants from other MS
